

PTFA NEWSLETTER

May 2009

Sports Day

Thursday 9th July

Each year St Mary's School hosts this fantastic day which is brilliant fun for the children, parents, teachers and parishioners. In order to support the schools hard work the PTFA organises and helps to run a number of activities on the day. This year these will include painting pots and plates, nail and face painting, coconut shy, sweet tombola and Lucky Dip. There will also be refreshments, ice cream sales and a barbeque as well as stalls selling cards, toiletries, books etc.

If you think you can help or wish to have a stall please can you let a member of the PTFA know. Many thanks

Plant Sales

Thank you to all those who purchased summer plants; a note will be sent out in book bags when these arrive into school.

Also a big thank you to Deborah Cousins who kindly donated a large quantity of plants which went on sale last Friday, these raised £52.00.

DVD Club

Don't forget to call at the DVD stall each Friday afternoon. Each DVD is only £1.00 for the whole week and thanks to the proceeds from recent cake sales and your suggestions we now have a wide range of fantastic titles on offer.

Cake sale

Well done to Year 2 who raised £67.60 at their cake sale. The next cake sale will be Year 1/2 on Friday 22nd May.

Fones 4 Schools

Thank you to everyone who has donated phones so far, remember as well as St Mary's receiving prizes, every phone that is donated receives a prize and will be recycled. Please dig deep and see what you can find.

Food Technology Area

Thanks to the efforts of the children in the Pancake Flip and other fundraising activities throughout this year, work on the Food Technology area will begin (and hopefully finish) during the summer holidays.

Volunteers would be gratefully received to rip out the old kitchen units and help decorate. If you think you can help please let a member of the PTFA know. Many Thanks.

Next meeting

The next PTFA meeting will be on Monday 18th May at 7.30pm in The Bure Farm Pub. All are welcome.
