## July 2009

### Sports Day

A huge thank you to all those who helped out on sports day including those who assisted with stalls on the day, those who slaved over the barbeque, served refreshments, those who loaned or erected gazebos, those who donated items for stalls and anyone else we have forgotten. It was a fantastic team effort and made it a very enjoyable and memorable day for all.

The total amount raised was a whopping £1,500.00 which will help enormously with the running of the new food technology area.
